A Message from the Chancellor

San Jacinto College embraces learning, with all members of the College community responsible for student success. Creating a safe, secure learning environment is integral for this success. The San Jacinto College Police Department works with the entire College community to provide a safe place to learn and work.

The police department's values of integrity, justice, service, and trust are evident as professional staff provide security enforcement 24 hours a day, seven days a week. Led by Police Chief Bruce Caldwell, the department provides the College community with excellent law enforcement and security services using the most current best practices available.

Safety and security are enhanced when the entire College community participates. Following the guidance to "see something, say something" allows every member of the community to participate in the College's multiple layers of safety and security, which ultimately keeps us all safer and more secure.

Thank you for remaining vigilant and aware of your surroundings each day at San Jacinto College. Together we can truly enhance the College's environment of safety and security and ultimately make a difference in students' lives as we help them succeed.

Sincerely,

Chancellor, San Jacinto College

A MESSAGE FROM THE CHIEF OF POLICE

Each August, San Jacinto College welcomes a new assortment of students. Some are recent high school graduates or dual credit students who are beginning their studies toward earning degrees. Others are pursuing education and training in technical fields that will lead to certification and employment in their selected career paths, and some are looking to change their careers with new skill sets. Whatever your goals, the San Jacinto College Police Department is here to provide you with a safe, secure learning environment.

San Jacinto College is comprised of highly educated faculty and a strong, professional staff who support the mission of the College. The police department is no exception. Our police officers and telecommunications personnel meet the Texas Commission on Law Enforcement (TCOLE) requirements for licensed peace officers and telecommunications, and many carry higher levels of certification. The College is selective in hiring police officers to work on its campuses. Our police officers reflect the community they serve. Many have years of varied law enforcement experience, and others are first-time police officers developing a strong sense of community service. In either case, they provide a high level of caring and professional service to the San Jacinto College community.

The police department uses video surveillance of parking areas at campuses and the district administration office to enhance safety and document activity occurring in the College's public spaces. This video surveillance system both deters criminal activity and helps with crime investigation. The system complements the blue light emergency and elevator phones that ring to the San Jacinto College Police Communications Center. The communications center is staffed 24 hours a day, seven days a week, with highly trained telecommunications who coordinate the flow of information for services between community members and the police personnel on the campuses.

Although the College provides a well-staffed, trained, and professional police department to keep the campuses safe, your safety and security at the College begins with you. Please be aware of the activity around you and contact the San Jacinto College Police Department if you are concerned about your safety or have an unsafe condition to report. Simply call 5555 from any College phone, use a blue light emergency or elevator phone, or call 281-476-9128 from your cell phone. True safety on campus is a partnership between you and us.

ANNUAL SECURITY REPORT - 2020

PURPOSE OF THE ANNUAL SECURITY REPORT

Enacted in 1990, the Student Right to Know and the Campus Security Act is designed to assist students in making decisions that affect their personal safety and to ensure institutions of higher education provide students, staff, faculty, and prospective students the information they need to avoid becoming victims of campus crime.

The Higher Education Act of 1998 and the subsequent amendment of the implementing regulations (34 C.F.R.668.46) significantly expanded institutions' obligations under the Act. The Act was also renamed the "Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act" (hereafter the Clery Act). The Clery Act requires colleges and universities to:

- Publish an annual report every year by Oct. 1 that contains three years of selected campus crime statistics and certain campus security statements
- Disclose crime statistics for the campus, public areas immediately adjacent to or running through the campus, and certain non-campus facilities. The statistics must be gathered from campus police or security, local law enforcement, and other College officials who have "significant responsibility for student and campus activities."
- Provide "timely warning" notices of those crimes that have occurred and pose an ongoing "threat to students and employees"
- Disclose in a public crime log "any crime that occurred on campus or within the patrol jurisdiction of the campus police or the campus security department and is reported to the campus police or security department"

The San Jacinto College Police Department is responsible for preparing and distributing the Annual Security Report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act (the Clery Act). The Annual Security Report is published every year by Oct. 1 and contains three years of selected campus crime statistics and certain campus security policy statements in accordance with the Clery Act. Due to the COVID pandemic, the Department of Education extended the deadline to publish the Annual Security Report (ASR). The Annual Security Report, including our statistics and the safety and security policy statements for our institution, must be available to our campus community no later than December 31, 2020.

The San Jacinto College Police Department prepares the Annual Security Report and statistical information with input from various sources such as local law enforcement agencies, physical plant, division of student affairs, and campus officials.

Designated campus officials or "campus security authorities" include, but are not limited to, directors, deans, department heads, designated human resource department personnel, judicial affairs deans, advisors to students/student organizations, and coaches.

DISCLOSURE OF ANNUAL REPORT NOTIFICATION

Each year an email notification is sent to all current students, faculty, and staff providing the website address to access this report: www.sanjac.edu/police. Upon request, prospective students and employees may obtain a written paper copy of the Annual Security Report that includes the Fire Safety Report at the San Jacinto College Police Department office at 8060 Spencer Highway in Pasadena, Texas, or by calling 281-476-1820.

ENFORCEMENT AUTHORITY

The San Jacinto College Police Department is the primary police authority for San Jacinto College. Its police officers are certified Texas Peace Officers as defined in article 2.12 of the Texas Code of Criminal Procedure. Pursuant to Section 51.203 of the Texas Education Code, the primary jurisdiction of San Jacinto College officers includes all counties in which property is owned, leased, or otherwise under the control of San Jacinto College. Within their primary jurisdiction, San Jacinto College officers:

- Are vested with all the powers, privileges, and immunities of peace officers;
- May arrest without warrant any person who violates state law, in accordance with chapter 14 of the Texas Code of Criminal Procedure;
- May enforce all traffic laws on streets and highways pursuant to Section 51.210 of the Texas Education Code.

San Jacinto College officers are also empowered to enforce the rules and regulations of San Jacinto College. The San Jacinto College Police Department also works regularly with the City of Pasadena Police Department, the City of La Porte Police Department, the City of Deer Park Police Department, the Harris County Sheriff's Office, and other local law enforcement agencies on criminal investigations. The San Jacinto College Police Department will provide and seek assistance from other federal, state, county, and local law enforcement agencies and maintain Memorandums of Understanding with local law enforcement agencies.

PROFESSIONAL STANDARDS

The San Jacinto College Police Department's ability to develop and sustain the public's trust involves our commitment to provide excellent services as we maintain a safe and secure College community. All members of the San Jacinto College community can expect courteous, professional treatment by members of our department.

The San Jacinto College Police Department will not tolerate an employee who acts unprofessionally or who does not provide an appropriate and reasonable level of service. We also wish to recognize instances where our employees have been especially helpful or have exceeded your expectations in the service they have provided.

The foundational dynamic of the relationship between the police and the public requires interdependence, not independence. The public are the police, and the police are the public, and it is essential that the services provided to the San Jacinto College community are acceptable. Thus, it is important to obtain feedback from the community we serve regarding the quality of service deliverables.

We strongly encourage you to help us improve your police department by bringing any complaints and compliments immediately to the attention of a watch commander for the shift by calling 281-476-1820. This individual is the police lieutenant responsible for operations during his or her shift.

INCIDENT REPORTING AND RESPONSE

REPORTING OFF-CAMPUS CRIMES

Members of the College community are encouraged to report crimes that occur off a San Jacinto College campus to the local law enforcement agency serving that jurisdiction. If you are unsure which jurisdiction the crime should be reported to, you may contact the San Jacinto College Police Department for assistance in determining where you should report the crime.

DAILY CRIME LOG

Each day the San Jacinto College Police Department compiles a "Daily Crime Log" available to the public. This summary identifies the type, location, time, and date the crime was reported to the College's police department. You may view a printed copy of this report at the San Jacinto College Police Department records office at 8060 Spencer Highway in Pasadena, Texas.

CONFIDENTIAL REPORTING OF CRIMES

The San Jacinto College Police Department is committed to protecting the privacy of individuals who report incidents of abuse, violence, or other crimes to the extent permitted by law and subject to the College's need to protect the safety of others in the College community. The department encourages anyone who is the victim of or witness to any crime to report the incident promptly to the police at 281-476-1820. Felony crimes may be reported anonymously by calling Crime Stoppers at 713-222-TIPS (8477).

OTHER CONSIDERATIONS

Retaliation against any employee or student for reporting a crime in good faith or for participating in an investigation of such crimes is prohibited. Any employee or student who does so may be subject to disciplinary and/or legal action.

MISSING STUDENT NOTIFICATION

San Jacinto College does not have any on-campus student housing facilities. The San Jacinto College Police Department will initiate an investigation if a student is reported missing.

REPORTING CRIMINAL OFFENSES TO CAMPUS SECURITY AUTHORITIES

Faculty, staff, and students are encouraged to report any criminal offenses occurring on or near a San Jacinto College campus to the College police department. The College police department will assist you in reporting off-campus criminal offenses to the proper law enforcement agency. You may also report criminal offenses to designated campus officials including, but not limited to, directors, deans, department heads, human resources, advisors to students/student organizations, athletic coaches, or local law enforcement agencies.

Although exempt from the reporting requirements of the Clery Act, pastoral and professional mental health counselors are encouraged to refer persons they are counseling to report crimes on a voluntary, confidential basis for inclusion in the annual statistics, especially if the incident may pose an ongoing threat to the College community.

TIMELY WARNINGS

San Jacinto College is responsible for issuing timely warnings in compliance with the Jeanne Clery Act, 20 U.S.C. § 1092(f) et seq. Jeanne Clery Act, 20 U.S.C. § 1092. The San Jacinto College Police Department will continuously and diligently coordinate with local, state, and federal law enforcement agencies to address exigent public safety concerns. The San Jacinto College Police Department, designated campus safety authorities, and San Jacinto College administrators will collaborate regarding if and when a timely warning should

be issued. The decision to issue a timely warning shall be made on a case-by-case basis in compliance with the Clery Act and will consider all available facts.

The issuance of the notification shall be based upon whether the crime is considered a serious ongoing threat to the College community and whether it will compromise law enforcement efforts.

Anyone with information warranting a timely warning should report the circumstances immediately to the San Jacinto College Police Department at 281-476-1820 or in person at the San Jacinto College Police Department at 8060 Spencer Highway in Pasadena, Texas.

PROCEDURE

When a timely warning should be issued, the San Jacinto College police, Office of Emergency Management, and Marketing, Public Relations, and Government Affairs departments will work collaboratively to inform the campus or College community of the incident by taking one or more of these steps:

- Invoke SJC AlertMe to send email, text, and/or voice messages. Members of the College community, as well as the general public, may enroll to receive these notifications at sanjac.edu/alert-me.
- College-wide email
- Post the warning on the San Jacinto College Police Department website (sanjac.edu/police). Such warning(s) may include, but are not limited to: type of crime; date, time, and location of the incident; suspect description; and public safety reminder(s).

Any on-campus emergency, criminal offense, or suspected criminal activity should be reported immediately to the College police department. Members of the department conduct high visibility patrol via marked police vehicles, golf carts, bicycles, and on-foot walking through the campus and buildings. Police officers make frequent contact with members of the College community. If you have witnessed, received information of, or been the victim of a crime, please contact the San Jacinto College Police Department immediately.

COLLEGE EMERGENCY NOTIFICATION PROCEDURE

The San Jacinto College emergency preparedness, response, and evacuation protocols are published online and accessible at www.sanjac.edu/about-san-jac/college-operations/emergency-management/emergency-response-procedures. The protocols require authorized San

Jacinto College officials to notify the campus and/or College community immediately upon confirmation of a significant emergency or dangerous situation on a campus unless issuing a notification will compromise efforts to contain the emergency. All students and employees should read and review these protocols regularly.

Emergency response and evacuation procedures are tested annually. The Emergency Management Plan designates the San Jacinto College Police Department (by dialing 5555 from a campus phone) as the initial contact for reporting all emergency situations and for response to all emergencies. Upon receiving an emergency report, the responding officer will first confirm the emergency. Supervisors will then assess the threat level and determine the appropriate level of response required.

Emergency messages will include details about what has occurred and directions to the community. SJC AlertMe will be activated to provide an emergency notification to registered users through email, voice, and/or text message. The emergency notification process does not replace the timely warning requirement. Instead, the emergency notification addresses a much wider range of threats such as gas leaks, fires, weather (tornado/hurricane), bomb threats, contagious viruses, etc.

PROCEDURE

When a determination has been made that an emergency notification should be issued, the San Jacinto College Marketing, Public Relations, and Government Affairs department will inform the College community by taking one or more appropriate steps immediately:

- Invoke SJC AlertMe. The College community and the general public may enroll at sanjac.edu/alert-me to receive these notifications.
- Issue a campus- or College-wide email.

All decisions about cancelling College functions or classes or ceasing operations rest with the Chancellor or his/her designee. After consulting with the Incident Management Team, the Chancellor is responsible for declaring a major institutional emergency. If it is necessary to warn the College community of an impending threat or emergency situation, the College Emergency Notification System, SJC AlertMe, will be activated.

The College Emergency Notification System consists of:

- San Jacinto College email (official form of communication with students and employees)
- Text messaging
- Voice messaging

Status reports will be updated and posted continuously on the following:

- College Emergency Information Line – 1-855-693-3370
- College website: sanjac.edu
- San Jacinto College [Facebook](#), [Twitter](#), and [Instagram](#) pages

SJC ALERTME

Providing a safe, secure environment for our students, faculty, staff, and community is a top priority at San Jacinto College. SJC AlertMe will contact members of the College community through email, voice, and/or text messages in an emergency.

SJC AlertMe provides San Jacinto College with another communication tool to keep students, faculty, staff, and the community informed during threatening situations and weather-related closings. Official notification will be sent by email. To receive voice and text messages, you must provide your current, up-to-date personal contact information. San Jacinto College current students, faculty, and staff should do this through SOS. Members of the San Jacinto College community who wish to receive SJC AlertMe messages should sign up at sanjac.edu/alert-me.

SJC AlertMe will be activated when the College determines a serious threat exists and the College community must act immediately to remain safe and secure. The system will also be used to announce an unscheduled College and/or campus closing or class cancellation due to situations such as severe weather.

Email is the official form of communication with San Jacinto College students, faculty, staff, and community. All SJC AlertMe alerts will be sent via email to students' and employees' San Jacinto College email account, as well as any other email provided. When a voice message is sent, SJC AlertMe will call each phone number provided regardless of whether or not the call is answered. Text messages will be sent only once.

There is no cost to sign up for this notification service. However, when the system sends a voice or text message to your personal phone, you are responsible for any charges from your phone service provider associated with receiving voice or text messages.

In addition to SJC AlertMe the College will continue to use its well-established communications methods, including:

- The San Jacinto College website, sanjac.edu
- The San Jacinto College Emergency Information Line – 1-855-693-3370
- Official San Jacinto College [Facebook](#), [Twitter](#), and [Instagram](#) pages

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

Certain circumstances such as severe weather, technological, or manmade incident may require one or more campuses to cease operations. The College divides the cessation of operations due to these circumstances into three categories. These categories can be applied to buildings, campuses, or the entire College as the situation dictates. The decision to implement any type of closure rests with the Chancellor or his/her designee. When such action is warranted, you will be appropriately advised by the College Emergency Notification System.

College Closure: Any natural or manmade incident that may require the College to close for business. In this type of closure students and staff are made aware that the business functions of the College have been suspended. There are no imminent life and safety threats to the campus, and faculty/staff may choose to remain on campus. Leaders can request certain essential staff to report to duty to manage continuity of operations procedures.

Examples of a closure include power outages, flooding, or severe thunderstorms that do not directly impact the campuses.

College Shutdown: Any natural or manmade incident that may require extended disruption of College operations. In this type of closure students and staff are made aware that the business functions of the College have been suspended. There may be life and safety threats to the campus, and faculty/staff are required to leave campus with the exception of essential personnel. Only Strategic Leadership Team (SLT) members can request staff to report for duty.

Examples of shutdowns include an indirect hit from a hurricane or a chemical leak that does not directly impact the campus.

College Evacuation: Any natural or manmade incident that may require extraordinary disruption of College operations. In this type of closure students and staff are made aware that the business functions of the College have been suspended. There are imminent life and safety threats to the campus and ALL faculty/staff are required to leave campus. Faculty and staff are not to report for duty until the SLT decides to resume operations.

Examples of evacuations include a forecasted direct hit from a hurricane, tornado forecasted to directly hit a campus, or a chemical leak that directly impacts a campus. An evacuation typically is accompanied by an evacuation order from the County OEM, but the SLT has the express authority to pre-empt an evacuation without a county evacuation order in place.

Building Evacuation: A building evacuation is most commonly initiated by the building's fire alarm system.

- In preparation for a fire emergency, learn the locations of all exit doors, alarm pull stations, and fire extinguishers. If your area is equipped with fire blankets or other specialized fire suppression equipment, learn how to use them.
- For all fires, sound an alarm and call San Jacinto College campus police immediately at 281-476-9128 or 5555 from a campus phone. Alarm pull stations are located throughout most campus buildings.

When the building fire alarm sounds:

- Evacuate the building immediately and assist disabled persons on leaving. Be sure a staff member has checked restrooms, vacant classrooms, and storage areas to ensure everyone is out. Time permitting, close doors and windows and request that College maintenance shut off the HVAC system.
- Do not use the elevators.
- Do not lock doors as that may keep emergency personnel from getting to the blaze.
- Knock on doors and shout to alert other occupants on your way out of the building. In case of heavy smoke, stay close to the floor, where the air is less toxic. Feel closed doors before opening them. If hot, do not open. Take an alternate route or stay where you are.
- If you become trapped inside during a fire, find a room away from the blaze and smoke, preferably with a window available. Close all doors between the blaze and your location to prevent the spread of flames and smoke to your area. Seal off the door with sheets or towels. Hang a sheet, towel, or large article of clothing (shirt, coat, etc.) out the window to signal your presence. If there are no windows, stay near the floor, where the air is less toxic. Shout at regular intervals to alert emergency crews of your location. If water is accessible, wet a towel or garment and breathe through it to filter out smoke.
- Provide information to arriving emergency personnel of any persons who may have remained inside the building or who are injured.
- If possible, without compromising personal safety, use a portable fire extinguisher on small, manageable fires. Pull the safety pin, aim the extinguisher at base of the fire and use a sweeping motion while squeezing the handle to extinguish the fire.
- Report all fires, even if they have been extinguished, to San Jacinto College campus police for documentation.
- Never ignore a fire alarm.

ALCOHOLIC BEVERAGES, ILLEGAL DRUGS, AND WEAPONS

ALCOHOL

As an institution interested in the intellectual, physical, and psychological well-being of the campus community, San Jacinto College prohibits the abuse or illegal use of alcoholic beverages. All members of the College community and guests are required to comply with federal, state, and local laws regarding the distribution, possession, and consumption of alcoholic beverages.

The possession of alcohol by anyone younger than 21 years of age is illegal. It is also a violation of law and student rules to possess or consume alcoholic beverages on any of the College's campuses. Consequences could result in criminal charges or arrest by the San Jacinto College Police Department and/or sanctions by the College. The office of the dean of student development is committed to promoting responsible decision-making regarding alcohol and drugs through educational programming, resources, and referrals.

ILLEGAL DRUGS

The possession, sale, manufacture, or distribution of any controlled substance is illegal under both state and federal laws. Such laws are strictly enforced by the San Jacinto College Police Department. Violators are subject to College disciplinary action, criminal prosecution, fines, and imprisonment.

WEAPONS

The carrying of any handgun by an unlicensed person and the open carry of a handgun is not permitted in any place at the College. A valid Texas License to Carry Holder may carry a concealed handgun on campus only in the areas and manner specified by law or the San Jacinto College Campus Carry Policy.

The possession of a location-restricted knife or prohibited weapon on the physical premises of San Jacinto College is not permitted.

SEXUAL MISCONDUCT POLICY

Additional information regarding this policy can be found in the associated Procedure III.3006.D.a, Allegations of Sexual Misconduct at www.sanjac.edu/sexual-misconduct-policy.

General Prohibition: San Jacinto College prohibits all employees, students, and third parties under the College's control from engaging in sexual harassment, sexual assault, dating violence, domestic violence, and stalking ("Sexual Misconduct"). This Policy also prohibits conduct of a sexual nature that is objectively offensive and inappropriate for a campus environment but that may not satisfy legal definitions of sexual harassment, sexual assault, dating violence, domestic violence, or stalking ("Other Inappropriate Conduct"). This Policy applies to conduct that occurs on College-owned or College-leased property or in a College vehicle; in a College program or activity whether on or off campus; in a building owned or controlled by a student organization that is officially recognized by the College; or in other instances in which the College exercised substantial control over the alleged perpetrator and the context in which the conduct occurred. This policy applies to off-campus conduct that adversely affects or jeopardizes a student's equal access to the College's education programs or activities.

Retaliation Prohibited: Retaliation is prohibited against an individual who in good faith reports conduct prohibited by this policy or who cooperates in an investigation, disciplinary process, or judicial proceeding arising from such a report. Retaliation is a decision or action that is materially adverse and is of the type that would dissuade a reasonable person from exercising his or her rights to file a complaint or to participate in an investigation.

Definitions: The definitions of sexual harassment, sexual assault, dating violence, domestic violence, stalking, and other inappropriate conduct are found in the College's Human Resources procedures (Procedure 1-2), student conduct procedures (Procedure VI.6004.D.a), and the Code of Student Conduct.

Coordination of College Efforts to Prevent Sexual Misconduct: The College's Vice Chancellor of Human Resources oversees the College's efforts to prevent and remediate employee conduct prohibited by Title VII. The College's Title IX Coordinators coordinate the College's efforts to prevent and remediate conduct prohibited by Title IX. The names and contact information of these individuals shall be available on the College's website and in appropriate handbooks and the Code of Student Conduct.

Mandatory Reporting by Employees: Any employee who, in the course and scope of their employment, observes or receives information regarding an incident

that the employee reasonably believes constitutes sexual harassment, sexual assault, dating violence, or stalking that was committed by or against a San Jacinto College student or employee must promptly report the incident or allegation to one of the College's Title IX Coordinators in accordance with the College's procedures. The duty to report applies if the student was enrolled at the College at the time of the incident or if the employee was employed by the College at the time of the incident. The employee shall report all known information regarding the incident, including, if available, the name of the alleged victim, respondent, location, and nature of the incident. If the alleged victim has expressed a desire for confidentiality, the employee shall provide this information to the Title IX Coordinator.

Employees who fail to make a mandatory report are subject to termination in accordance with College termination procedures. Additionally, the employee is subject to criminal prosecution as stated in Section 51.255 of the Texas Education Code.

Recognition of Freedom of Speech: Freedom of speech and principles of academic freedom are central to the mission of institutions of higher education. This policy is not intended to restrict constitutionally protected speech.

Reporting Options and Supportive Measures: Any person may report sexual misconduct, retaliation, or other inappropriate conduct prohibited by this policy to the College's Human Resources Department or to any Title IX Coordinator in person or by mail, telephone, electronic email, or online portal. Violations also may be reported to the San Jacinto College Police Department or other law enforcement agency. Individuals may seek the assistance of a Title IX Coordinator in making a report to law enforcement. Additionally, regardless of whether a complaint is filed with the Human Resources Department, a Title IX coordinator, or the police, or whether no complaint is filed at all, students and employees may request campus support services or supportive measures or seek general information about their rights and options. Supportive measures are non-disciplinary measures designed to restore or preserve access to the individual's work environment or education program or activity without unreasonably burdening the other party and may include, for example, modification of a class schedule or work schedule, restrictions on contact between the parties, or withdrawal from a class without penalty.

Reporting an incident or seeking support services or supportive measures will not necessarily initiate an investigation; a formal complaint ordinarily must be filed to initiate an investigation. The College's procedures shall identify confidential reporting opportunities for students and employees that respect an individual's desire for privacy.

Development of Procedures for Filing and Adjudicating

Complaints: The College Administration, under the direction of the Chancellor or Chancellor's designee, shall prepare reporting and complaint processes that comply with Title VII, Title IX, and their implementing regulations. Additionally, the Administration shall prepare a complaint process that enables students and employees to redress sexually inappropriate conduct that does not satisfy the legal definitions of sexual harassment, sexual assault, dating violence, domestic violence, and stalking.

All of the College's procedures shall provide for the prompt and thorough investigation of employee complaints and student complaints by personnel who are impartial, neutral, and trained on investigations and applicable laws pertaining to Sexual Misconduct. The applicable procedure may depend upon the nature of the allegations and whether a student or employee is the complainant or respondent. The College's Title IX Coordinators will assist students and employees in understanding their rights and options and will direct them to the applicable policies and procedures. The College's procedures shall provide the following: (1) Equitable treatment of complainants and respondents; (2) A process for filing formal complaints that will initiate a formal investigation and provide written notice to the parties regarding the investigation and their respective rights; (3) An objective evaluation of all relevant evidence by unbiased investigators and decision-makers; (4) A presumption that the respondent is not responsible for the alleged violation until a determination is made after completion of the applicable complaint process; and (5) Other procedures reasonably necessary to facilitate a fair and equitable process.

Parties shall have equal access to the evidence gathered during an investigation and shall receive a copy of the written report of the investigation. The College will provide reasonable written notice to a party whose participation is invited or expected of the date, time, location, and purpose of all meetings, investigative interviews, or other proceedings under this policy.

A reporting party's sexual predisposition or prior sexual behavior shall not be not relevant in any investigation or hearing format under the College's procedures except where questions and evidence about a reporting party's prior sexual behavior are offered to prove that someone other than the respondent committed the alleged conduct charged by the reporting party or if the questions or evidence concern specific incidents of the complainant's prior sexual behavior with the respondent and are offered to prove the complainant's consent of the alleged conduct.

Determination of Responsibility; Hearing Procedures; Discipline or Sanctions: Hearings, when required by Title IX, other law, or College procedure, will be conducted by neutral and impartial decision-makers in accordance with a published protocol. Decision-maker(s) will prepare a written determination containing findings of fact based on a preponderance of the evidence and providing a rationale as

to whether the respondent is responsible for each incident of alleged misconduct based on the College's policies, procedures, or codes of conduct. Determinations shall be based on relevant evidence. Students found responsible for a violation of this policy will be subject to sanctions ranging from educational training and counseling to restrictions on activities to suspension, expulsion, or denial of degree. Employees found responsible for a violation of this policy will be subject to discipline ranging from counseling and reprimands to demotion, reassignment, suspension, or termination. Other sanctions may be appropriate and will be tailored to the fact-finding and circumstances. The College's procedures will publish the full range of potential sanctions and remedies and shall describe available appeal procedures and the standards applicable to appeals.

Complaints against the College Chancellor: A Formal Complaint against the College Chancellor should be submitted to the Chairperson of the Board of Trustees. This policy and the College's complaint processes shall apply to the extent practicable; avoidance of any conflict of interest is paramount. The Chairperson shall appoint an external investigator, who may be an attorney, to conduct an investigation that complies with applicable law. Any hearings shall be conducted by the Board of Trustees. Members of the Board of Trustees shall receive any training required by Title IX, Title VII, or other applicable law.

Evidence Preservation: Individuals who have experienced an alleged sexual assault or other Sexual Misconduct are encouraged to go to a hospital for a medical exam or treatment as promptly as possible and to preserve all evidence related to the assault or misconduct. Individuals should not wash, shower, or change clothes prior to a medical exam or treatment. Clothing, if removed, should be placed in a paper bag. Evidence of emails and text messages should be preserved.

Training and Educational Materials: The College Administration shall take action to ensure that the College provides training and educational materials to students and employees as may be required by law and as may be required to ensure compliance with this policy, including providing training to all Title IX coordinators, investigators, decision-makers, and other individuals involved in the processing of reports and complaints under this policy.

Options for Reporting Sexual Misconduct

(excerpts taken from the Associated Board Procedure III.3006.D.a, Allegations of Sexual Misconduct)

Reporting to a Title IX Coordinator: Any student or other individual may report Sexual Misconduct or Other Inappropriate Conduct whether or not the person reporting is the alleged victim. Reports may be submitted to one of the College's Title IX Coordinators in person or by mail, telephone, electronic email, or online portal at www.sanjac.edu/incident-report. Submitting a report does not obligate the individual to file a Formal Complaint or to participate in an investigation. Allegations against students also may be reported to the Compliance & Judicial Affairs Office by calling 281-478-2756.

Allegations against employees may be reported to the Human Resources Department by calling 281-998-6115. A complaint against a Title IX Coordinator should be reported to the Vice Chancellor of Fiscal Affairs (281-998-6306).

When an individual (or someone on their behalf) makes a report to a Title IX Coordinator, the Title IX Coordinator will notify the individual in writing of his or her rights and options, including how to file a Formal Complaint if desired and how to request support services or supportive measures. An individual may request support services or supportive measures without filing a Formal Complaint.

Reports to Law Enforcement: The reporting party may report a crime in progress by calling 911. If the incident occurred on a San Jacinto College campus, the reporting party may make a report to the San Jacinto College (SJC) Police Department (281-476-9128) or to another police agency with jurisdiction. A police department's geographic jurisdiction will depend on the location of the incident. The SJC police or other police agency may share the report with the College's Title IX Coordinators. Prompt reporting will aid in the preservation of evidence. The decision whether to report to law enforcement belongs to the alleged victim. Crime victims may choose to report an offense to law enforcement or to decline to report a crime to law enforcement. Additionally, regardless of whether the alleged victim files a police report, the alleged victim has a right to file an administrative complaint with the College or to seek support services or supportive measures from the College. An individual may request the assistance of a Title IX Coordinator in making a police report.

Evidence Preservation: Victims of an alleged sexual assault or other Sexual Misconduct are encouraged to go to a hospital for a medical exam or treatment as promptly as possible and to preserve all evidence related to the assault or misconduct, including potential DNA evidence and evidence of bruising or other injuries. Victims should not wash, shower, or change clothes prior to a medical exam or treatment. Clothing, if removed, should be placed in a paper bag. Evidence of emails and text messages should be preserved.

Confidentiality Generally: Individuals identified in a report or Formal Complaint as a witness, reporting party, or respondent may desire privacy and may wish to avoid public disclosure of their names. The College desires to be respectful of each person's interest in privacy. Certain laws restrict disclosure of student records and records relating to sexual harassment and sexual assault. See Family Educational Rights & Privacy Act, 34 C.F.R. part 99; Texas Education Code § 21.256, § 21.291. However, under state and federal law, most College employees have a duty to report allegations of sexual harassment, sexual assault, dating violence, domestic violence, and stalking to a Title IX Coordinator. Additionally, when a Formal Complaint is initiated, the investigation process may require certain disclosures, including the parties' names, in order to conduct a fair and thorough investigation. The College will share information with individuals only as necessary, which may include investigators, witnesses, the reporting party, the

respondent, parties' advisors, decision-makers, appellate officers, College administrators, attorneys, or trustees who have a responsibility to ensure compliance with this Procedure and applicable law.

Confidential Consultations: Students may confidentially discuss an incident with a counselor at any of the College's Educational Planning, Counseling, and Completion Offices without concern that the student's identity will be reported to the Title IX Coordinators or to law enforcement. Counselors will not report the student's name or details without the consent of the student. Individuals also may make a confidential report to a community rape crisis center, clergy person, or a health care provider of the student's choice. Community resources are identified at www.sanjac.edu/mental-health-resources.

Anonymous Reports: Any person may make an anonymous report to a Title IX Coordinator. However, depending on the facts and circumstances of the anonymous report, the College may be limited in its ability to stop the alleged conduct, collect evidence, or remedy the situation.

Consent

Consent is a clear, knowing, and voluntary permission by words or action to engage in mutually agreed upon sexual activity. Consent is communicated through mutually understandable words or actions that indicate willingness by all of the involved parties to engage in the same sexual activity, at the same time, and in the same way. A current or previous dating or sexual relationship by itself is not sufficient to establish consent. Additionally, consent can be withdrawn at any time. Ideally, consent is given verbally; however, consent (or lack of consent) also may be expressed through gestures and body language.

Consent is not effective if it results from: (a) the use of physical force or restraint; (b) a threat of physical force; (c) acts of intimidation; (d) acts of coercion; (e) incapacitation (including through the voluntary or involuntary ingestion of alcohol or controlled substances); or (f) other evidence that shows that the individual's ability to exercise his or her own free will was eliminated on the occasion in question. Specific examples of those who cannot give consent include but are not limited to:

1. The individual is under the age of 17 and is not the spouse of the actor;
2. The individual is unconscious or asleep;
3. The individual has not consented to the sexual act with the actor and the actor knows the other person is unaware that the sexual act is occurring;
4. The individual is mentally impaired or has a mental disability; or
5. The actor has misrepresented or concealed his or her true identity to the individual.

INSTITUTIONAL PROCEDURES AND STANDARDS OF EVIDENCE FOR DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, AND STALKING OFFENSES

Note: In addition to information found in the ASR, see the College's Procedure III.3006.D.a Allegations of Sexual Misconduct that covers: the College's prevention programs to prevent dating violence, domestic violence, sexual assault, and stalking; the college's definition of consent in reference to sexual activity; and information of how the College will protect the confidentiality of victims and other necessary parties.

Medical Treatment

It is important to seek immediate and follow-up medical attention for several reasons. First, to assess and treat any physical injuries you may have sustained. Second, to determine the risk of sexually transmitted diseases or pregnancy and take preventive measures. Finally, to gather evidence that could aid criminal prosecution. Physical evidence should be collected immediately, ideally within the first 24 hours. It may be collected later than this, but the quality and quantity of the evidence may be diminished.

Sexual Assault Prevention

San Jacinto College provides the following required and other education, prevention and personal safety programs to address prevention and awareness of dating violence, domestic violence, sexual assault, and stalking:

- “Not Anymore” online awareness and prevention training at www.sanjac.edu/not-anymore. This is required training that covers sexual misconduct, consent, bystander intervention and the role of alcohol.
- Video-based training on the College’s Sexual Misconduct Policy (accessible via a student’s SOS account). This is required training.
- A.W.A.R.E. Training (Assessing your surroundings, while remaining Aware and being Realistic about your Environment)
- Ongoing awareness events on each campus
- Risk management training for student organizations during College-sponsored travel

Sex Offender Registry

The “Campus Sex Crimes Prevention Act” is a federal law enacted Oct. 28, 2000 that provides for the tracking of convicted, registered sex offenders enrolled as students at institutions of higher education and/or employed or volunteering on campus.

This act amends the Family Educational Rights and Privacy Act of 1974 to clarify that nothing in that act may be construed to prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders and requires the Secretary of Education to take appropriate steps to notify educational institutions that disclosure of this information is permitted.

The Texas Department of Public Safety (DPS) is the official Texas Internet source for Sex Offender Registration information. The Sex Offender Registration open records information is extracted from the DPS Sex Offender Registration Database. The DPS maintains files based on registration information submitted by criminal justice agencies and represents a statewide source of information on sex offenders required by law to register. The DPS public web page can be found at <https://records.txdps.state.tx.us/SexOffenderRegistry>.

CAMPUS CARRY POLICY

Purpose

The purpose of this policy is to comply with the requirements of S.B. 11, which is generally referred to as the “campus carry” law, to allow the concealed carrying of handguns by license holders on the campuses of certain institutions. The policy grants permission for a valid Texas License to Carry holder (LTC) to generally carry a concealed handgun on campus. The policy also identifies certain campus locations and activities that a valid LTC holder may be excluded from carrying a handgun due to previously existing State of Texas Statutes or exclusion zones identified by the College.

Policy Statement

The San Jacinto Community College District is committed to providing a safe environment for students, employees, affiliates, and visitors and to respecting the right of individuals licensed to carry a handgun in Texas. Individuals licensed to carry may do so on campus except in locations and at activities prohibited by law or by this policy. The carrying of any handgun by an unlicensed person or the open carry of a handgun is not permitted in any place at the College.

1. Individuals who hold a valid Texas License to Carry a Handgun (LTC), including a valid Texas Concealed Handgun License, (“license holders”) may (1) carry a handgun on campus so long as the handgun is not in plain view, is on or about their person at all times, and is under their control (e.g., purse, backpack, bag, etc.) or (2) secure their handgun in a locked motor vehicle. The carrying of an unconcealed handgun on campus is restricted to authorized law enforcement officers and other persons who may be designated by appropriate law enforcement agencies.

All other weapons are strictly prohibited for students, faculty, staff, and visitors; their possession on campus is grounds for immediate action by law enforcement. See Section 46.05 of the Texas Penal Code for a list of weapons.

A license holder’s handgun must be concealed at all times. In compliance with Texas Penal Code §46.035(a-1), a license holder may not carry a partially or wholly visible handgun on campus premises or on any college driveway, street, sidewalk or walkway, parking lot, parking garage, or other parking area. Anyone intentionally or knowingly displaying a handgun in plain view for others to see is in violation of Texas law.

A license holder must display his or her License to Carry when directed by a law enforcement officer in accordance with section 411.205 of the Texas Government Code. Otherwise, an individual is not required to disclose whether he or she is a license holder to participate in any program or service offered by the College, except as required by law.

A license holder may not carry a handgun if he/she is intoxicated under Texas Penal Code 46.035(d).

2. It is the responsibility of license holders to carry their handguns on or about their person at all times. “About” the person means that a license holder may carry a holstered handgun in a backpack or handbag, but the backpack or handbag must be close enough that the license holder can grasp it without materially changing position. A license holder who carries a handgun on campus must carry it in a holster that completely covers the trigger and the entire trigger guard area. The holster must have sufficient tension or grip on the handgun to retain it in the holster even when subjected to unexpected jostling.

The College does not provide storage for handguns. The open carry of handguns is not permitted on College premises.

3. The College is often the site of Pre-K-12 school-sponsored activities, such as field trips. When a Pre-K-12 school-sponsored activity is conducted at a particular location, the carrying of concealed handguns is prohibited. A sign shall be posted reading “Pre-K-12 school-sponsored activity in progress” during these activities. “School-sponsored activities” for purposes of this policy are defined as tours, demonstrations, field trips, events, clubs, camps, clinics, programs, etc., held on College property that are authorized by a K-12 school district or individual school(s) as a curricular, co-curricular, or interscholastic activity and are managed or supervised in part by the district, school, or school employee.

Upon a survey of the College campuses, areas identified as routinely hosting such school-sponsored activities is posted on the College’s rules and regulations regarding campus carry.

4. Texas Penal Code §46.03(a)(2) excludes license holders of handguns from carrying a handgun on premises of a polling place on the day of an election or while early voting is in progress, according to Procedure V11.7000.A.(a). A sign shall be posted at any polling place on campus from the commencement of early voting through Election Day that reads either “Polling Place” or “Vote Here.” (See Electioneering Procedure 2-19A)

5. Texas Penal Code §46.035(b)(2) excludes license holders of handguns from carrying a handgun where a high school, collegiate, or professional sporting event or interscholastic event is taking place, unless the license holder is a participant in the event and a handgun is used in the event. Notice shall be given for all collegiate sporting events. If possible, for ticketed sporting events this notice should be given by means of a written communication on the back of, or appended to, the ticket. Vendors and others who are permitted to enter the premises without a ticket shall be provided written notice through other means. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

6. The concealed carry of handguns shall be prohibited in areas for which state or federal law, licensing requirements, or contracts require exclusion at the exclusive discretion of the state or federal government, or are required by a campus accrediting authority. Where appropriate, signage must conform to the overriding federal or state law requirements. Otherwise, notice conforming to Texas Penal Code §30.06 must be provided.

7. The concealed carry of handguns shall be prohibited in patient-care areas, including those in which professional mental health and counseling services are provided. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

8. The concealed carry of handguns shall be prohibited in areas in which formal hearings are being conducted pursuant to Code of Student Conduct (Student Handbook); Academic Hearings; Veterans Appeal Hearings; Financial Aid Appeal Hearings; Employee Hearings; and Employee Grievances. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

9. The concealed carry of handguns shall be prohibited in areas where the discharge of a firearm might cause great harm, such as laboratories with extremely dangerous chemicals, biologic agents, explosive agents, critical infrastructure, and areas with equipment that is incompatible with metallic objects, such as magnetic resonance imaging machines. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

10. Counselors, staff, and volunteers who work in a campus program for minors must, as a condition of their participation, agree not to carry a concealed handgun on the grounds or in buildings where the program is conducted. Parents of attendees must also agree, as a condition of their child's participation, not to carry a concealed handgun on the grounds or in buildings where the program is conducted. "Campus program for minors" is defined as to provide oversight and training for camps and programs involving minors held on College premises or operated by the College that have recreational, athletic, religious, or educational activities for the campers. This includes all camps or programs covered by Texas Education Code, Chapter 51, Section 51.976, as well as any day camp, activity, or University Interscholastic League ("UIL") event sponsored by the College. A sign shall be posted that conforms to Texas Penal Code, Section 30.06.

This policy does not apply to College course-based academic service learning or research approved by the Institutional Review Board ("IRB").

11. The College shall amend the Code of Student Conduct, Faculty Handbook, and San Jacinto Policy and Procedure Manual to provide that causing the accidental or intentional showing of a firearm or the accidental discharge of a firearm is conduct subject to disciplinary action.

12. Exclusion zones created by Texas Penal Code §§46.03 and 46.035 as well as by the rules and regulations enacted under Texas Government Code 411.2031 may sometimes comprise only a portion of a building. In some instances, it

may not be feasible to exclude concealed handguns only from the designated exclusion zones. The following factors and principles shall govern the implementation of these rules and regulations in those buildings in which some but not all parts are designated as exclusion zones.

Governing factors:

- The percentage of assignable space or rooms in a building that are designated as exclusion zones.
- The extent to which the area (or areas) designated as exclusion zones are segregated from other areas of the building.
- The extent to which use of the building, and hence its status as an exclusion zone, varies from day to day or week to week.

Governing principles:

- If a small number of rooms or a small fraction of assignable space in a building is subject to exclusion, only the rooms or areas that qualify for exclusion should be excluded.
- If 85 percent or more of the total building in number of rooms or assignable space is subject to exclusion, or if the excludable space is not segregated from other space, then as a matter of practicality, the whole building may be excluded.
- Appropriate signage shall be posted that conforms to Texas Penal Code, Section 30.06.

13. The College developed training materials particular to San Jacinto College on how to respond to an active shooter situation. These shall be incorporated in the active shooter training, and all faculty and staff must complete this module. All students are encouraged to complete training on how to respond to an active shooter situation.

14. The College developed and posted in prominent places a detailed Campus Carry FAQ (on campus and online at <https://www.sanjac.edu/about-san-jac/campus-police/campus-carry/campus-carry>).

15. The College shall develop materials that educate and inform current and prospective San Jacinto College students about campus carry and its implementation.

16. To the extent possible, areas within gun-exclusion zones should be made available on a scheduled basis to faculty and staff. These spaces can be used for conferences that faculty or staff would prefer to conduct in a gun-exclusion zone.

17. The following factors and principles shall govern the implementation of exclusions or allowances for graduation ceremonies.

Governing factors:

- Off-campus location shall follow the venue's rules and regulations in regards to the permitted carrying of firearms.
- On-campus location shall follow the use of the building and/or exclusion zone criteria set forth herein.

18. The Campus Safety and Security Council, appointed by the Chancellor, shall be established and tasked at a minimum with the following responsibilities:

- Support the consistent implementation of these policies;
- Provide a review process for recommendations to the Chancellor; and
- Compile, maintain, and provide a periodic review of the premises where license holders are prohibited from carrying a handgun.

A student, or a College faculty or staff member may appeal a decision regarding the implementation of a policy or procedure contained herein to the Campus Safety and Security Council for consideration. A further appeal of the decision of the Campus Safety and Security Council may be submitted to the Vice Chancellor of Fiscal Affairs for consideration. The Vice Chancellor of Fiscal Affairs may choose to make a final decision or submit the appeal to the Chancellor for consideration. The Chancellor may approve, reject, or modify the decision in question or may submit the issue to the Campus Safety and Security Council for reconsideration. The decision of the Chancellor to approve, reject, or modify a decision is final.

Additional policies or exclusion areas not provided for in this policy will not be the subject of or considered as a matter of appeal. In accordance with Texas Government Code, Section 411.2031, the Chancellor may enact reasonable rules and regulations regarding the concealed carry of handguns on campus.

19. Not later than September 1 of each even-numbered year, the College shall submit a report to the Texas Legislature and to the standing committees of the Legislature with jurisdiction over the implementation of these policies that:

- Describes the rules and regulations adopted by the College regarding the carrying of concealed handguns on its campuses and

ACCESS AND MAINTENANCE OF CAMPUS FACILITIES

ACCESS

The dean, director, or department head is responsible for determining access to facilities under their control. San Jacinto College Police Department personnel, upon request, will prepare a security survey of the facilities to determine security coverage and appropriate access control. It is unlawful for any person to trespass on the grounds of any state of Texas institution of higher education or to damage or deface any of the buildings, statues, monuments, memorials, trees, shrubs, grasses, or flowers on the grounds of any state institutions of higher education. (Texas Education Code Section 51.204)

The governing board of a state institution of higher education or its authorized representatives may refuse to allow persons having no legitimate business to enter on property under the board's control and may remove any person from the property on his or her refusal to leave peaceably on request. Identification may be required of any person on the property (Texas Education Code Section 51.209).

MAINTENANCE

The maintenance department at San Jacinto College maintains the buildings, grounds, utility systems, and custodial services for the College campuses. They provide electricity, running water, waste disposal, landscape maintenance, building/office renovation, custodial services, and emergency repairs. Faculty and staff are encouraged to report maintenance problems.

Police personnel report any security problems they identify to the maintenance department for repair. If the security issue presents a high risk, police personnel will stand by until the problem is turned over to the maintenance department.

San Jacinto College police personnel routinely check campus lights and blue light emergency telephones to ensure they are working properly. Any deficiencies are reported to maintenance for repair.

SECURITY AWARENESS PROGRAMS

San Jacinto College provides the following required and other education, prevention and personal safety programs to address prevention and awareness of dating violence, domestic violence, sexual assault, and stalking:

- "Not Anymore" online awareness and prevention training at <http://www.sanjac.edu/not-anymore>. This is required training that covers sexual misconduct, consent, bystander intervention and the role of alcohol.
- Video-based training on the College's Sexual Misconduct Policy (accessible via a student's SOS account). This is required training.
- A.W.A.R.E. Training (Assessing your surroundings, while remaining Aware and being Realistic about your Environment)
- Ongoing awareness events on each campus
- Risk management training for student organizations during College-sponsored travel

Not Anymore is an online training program (www.sanjac.edu/not-anymore) that educates students about the following topics that may occur on a college campus:

- Bystander Intervention
- Consent
- Dating and Domestic Violence
- Sexual Assault
- Sexual Harassment
- Stalking
- Verbal Defense
- The Role of Alcohol

A.W.A.R.E. Training is an on-campus training led by both a staff member and a San Jacinto College police officer. The training is specifically designed to train students and staff about preventing situations from escalating on a campus.

Ongoing awareness events are coordinated by the Student Engagement & Activities Offices and the Educational Planning, Counseling, & Completion Offices. Examples of awareness events include, but are not limited to, domestic violence, stalking, alcohol and drug abuse, distracted driving, hunger and homelessness, eating disorders and mental health.

Risk management training is offered to all students who travel on College-sponsored overnight trips with their student clubs/organizations. Learn more by contacting your campus Student Engagement & Activities Office.

Preventing discrimination and sexual violence is an interactive training program designed to educate employees about Title IX and key provisions in the Campus SaVE Act. These provisions were incorporated into law through the Violence Against Women Act (VAWA) and the Violence Against Women Reauthorization Act (VAWRA), effectively amending the Clery Act.

Unlawful harassment prevention, an online training program, clarifies what constitutes sexual harassment to raise sensitivity to potentially offensive behaviors and to inform about employee procedures for handling harassment observed or encountered in the workplace.

THEFT PREVENTION

Three elements must be present for any crime to occur: desire, ability, and opportunity. We should all understand our role in reducing crime.

The San Jacinto College Police Department encourages all students and employees to take an active role in protecting their property. Criminal opportunities to commit theft can be minimized by taking advantage of crime prevention programs offered by the College police department and by not leaving property unsecured or unattended.

THE HIGHER EDUCATION OPPORTUNITY ACT OF 2008 – LEGAL REQUIREMENTS

Regulations in the Higher Education Opportunity Act of 2008 state that beginning October 1, 2010, an institution that maintains any on-campus student housing facility must prepare an annual fire safety report that contains, at a minimum, the following information:

- Fire statistics for each on-campus student housing facility for the three most recent calendar years for which data are available
- A description of each on-campus student housing facility fire safety system
- The number of fire drills held during the previous calendar year
- Institution's policy on portable electrical appliances, smoking, and open flames in a student housing facility
- The institution's procedures for student housing evacuation in a fire
- The policies regarding fire safety education and training programs provided to the students and employees. In these policies, the institution must describe the procedures students and employees should follow in a fire.
- For purposes of including a fire in the statistics in the annual fire safety report, a list of the titles of each person or organization to which students and employees should report that a fire occurred
- Plans for future improvements in fire safety, if determined necessary by the institution
- Maintain a written, easily understood fire log that records, by the date that the fire was reported, any fire that occurred in an on-campus student housing facility. This log must include the nature, date, time, and general location of each fire.

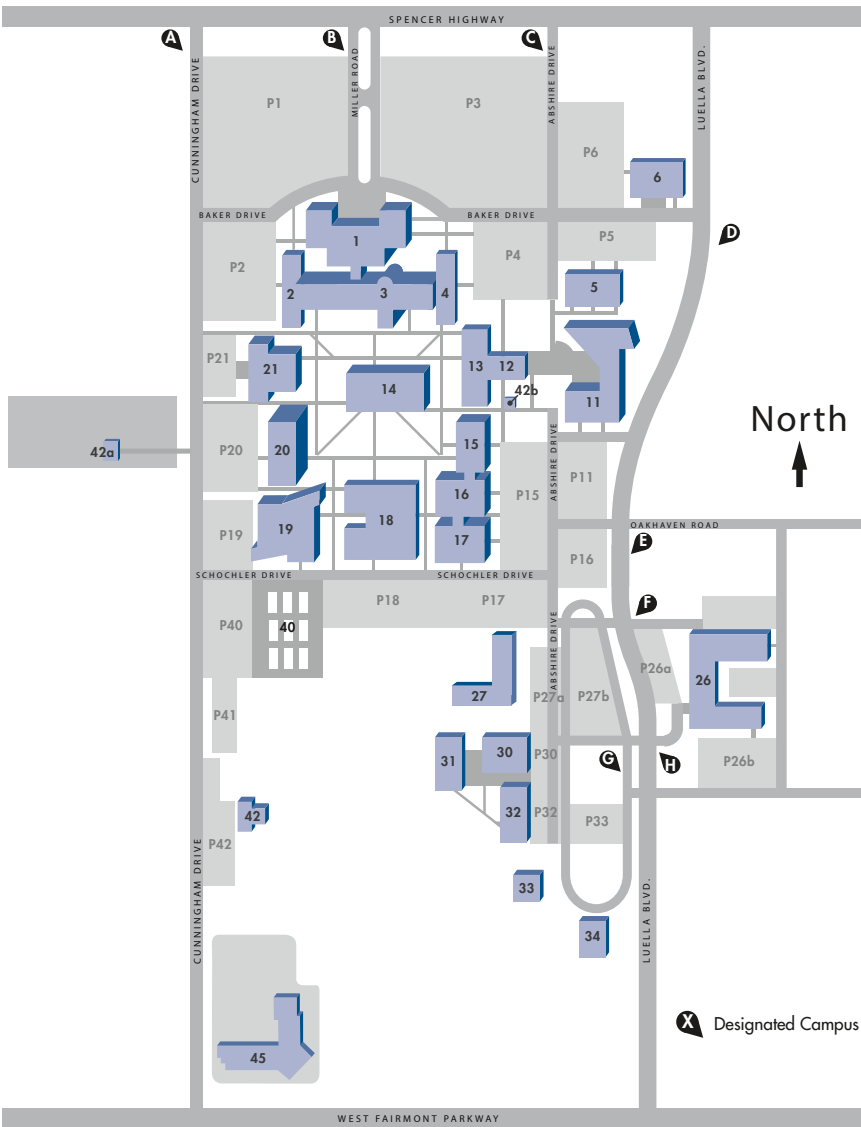

ANNUAL FIRE SAFETY REPORT

San Jacinto College does not maintain any on-campus student housing facilities and therefore is not required to publish an Annual Fire Safety Report. The HEA fire safety regulations apply only to institutions with on-campus student housing facilities and focus exclusively on those facilities. The regulations do not apply to other buildings on campus or to any non-campus student housing facilities the institution might own or control.
