

Name: _____ G# _____ GPA _____ (A minimum of 2.0 required.)

1. PRE-REQUISITE GRADES		A=4, B=3; C=1, Credit by Exam/AP =3			
Course and Term		Grades			Points
a. ENGL 1301 (Term _____)		A	B	C	
b. MATH 1314 (Term _____)		A	B	C	
c. *BIOL 2301 & 2101 (Term _____)		A	B	C	
d. **SCIT 1420 or PHYS1301 & PHYS 1101 (Term _____)		A	B	C	
2. POINTS AWARDED OR SUBTRACTED					
Additional points will be awarded for each additional Anatomy and Physiology course successfully completed within the past 5 years. (A=4; B=3, C=1). (BIOL 2404 and/or BIOL 2302/2102 only)		BIOL 2404 (Term _____) BIOL 2302/2102 (Term _____)			
One (1) point will be awarded for each of the general education degree plan courses successfully completed (C or better): Humanities/Fine Arts, General Psychology (see list of courses on 2 nd page)		Humanities or Fine Arts (Term _____) General Psychology (Term _____)			
Two (2) points will be awarded for previous or active Military Service with documentation of Honorable discharge.		+2			
One (1) point will be awarded if applicant previously applied to MRI, Radiography, or Sonography AAS degree programs and was not admitted into the MRI-AAS Degree Program.		+1			
***Points will be deducted if in the last 5 years any prerequisite courses were repeated due to a "D", "F", "Fx" or "I" grade. Two (2) points will be subtracted for each course repeated, including multiple attempts for the same course.		-2 for each course <i>Note: list courses on reverse side</i>			
Points will be deducted if applicant was previously enrolled in any other Health Science program in the past and did not complete the program, two (2) points will be subtracted for each non-completed health science program.		-2 for each program attempt <i>Note: list programs on reverse side</i>			
3. DEGREES AND EXPERIENCE **** additional points will be awarded if applicant:					
Earned a degree in a direct patient care Health Science Program from an accredited program. +2 Associate, + 5 Bachelors or higher		+2 for each associate +5 for each Bachelors or higher			
Earned a Bachelor's degree in any field from an accredited school		+2 for each			
Earned a Master's degree or higher in any field from an accredited school.		+2 for each			
Earned an Associates degree in a non-health science field from an accredited school.		+1 for each			
Successfully completed a direct patient-care health care program – technical certificate (ex. Dental Assistant, Medical Assistant, Phlebotomy)		+1 for each			
4. HESI EXAM*****					
Cumulative Score _____					
70 -74% +1 point 80-84% +3 points 90-94% +5 points					
75 -79% +2 points 85-89% +4 points 95-100% +6 points					
Vocabulary & General Knowledge Score _____		Vocab/ Knowledge + _____			
Science (A&P) Score _____		A&P + _____			
Math Score _____		Math + _____			
70 - 79% +1 point 80 - 89% +2 points 90-100% +3 points					

See additional notes regarding scoring rubric below

TOTAL SCORE:

*The BIOL 2301 and BIOL 2101 (Lecture and Lab) scores will be averaged by semester credit hour, and only 1 score will be given (not 2). BIOL 2301 and BIOL 2101 must be completed successfully within 5 years from the program start date.

**SCIT 1420 or PHYS 1301/1101 must be completed successfully within 5 years from the program start date.

***Applies to prerequisite courses taken within 5 years from the program start date.

**** Degrees and certificates require official transcripts submitted with application. Points awarded for degrees can only be added in one category (direct patient care health science field or in any field).

***** In the case of a tied total score, the HESI A2 cumulative score will be used as the deciding factor. If still tied, the GPA for Pre-Requisite courses will be the deciding factor. The HESI Exam must be completed within 2 years of the application deadline.

Transfer courses and course substitutions:

Transferred courses from other colleges must appear in the pre-requisite sections on the GPS as requirement met. If the humanities/fine arts, PSYC 2301, BIOL 2301/2101, BIOL 2302/2102 or ENGL 1301 appear as a GENE elective, the applicant must submit a course substitution to the appropriate Department Chair prior to applying for the program.

Course substitution requests for MATH 1314 must be approved by the Medical Imaging Department Chair prior to applying for the program. MATH 1314 can only be substituted by a higher-level math such as MATH 2314. The following courses will not be considered for substitution: MATH 1316, 1324, 1332, or 1342.

The following documents must be received with the application to be considered for selection in the Magnetic Resonance Imaging AAS Degree Program.
